For students interested in writing a major paper (minimum 30 pages) on a topic related to their major or graduate work. All courses are letter graded. A senior thesis cannot fulfill a requirement in the major. Open to declared majors only.

Instructions: Complete this form, obtain a faculty sponsor’s signature, attach a prospectus (see below) and bring to the IAS Curriculum Coordinator in 101 Stephens Hall. You will then receive a course control number to enroll in the course.

Prerequisites: Completion of 60 or more units and a minimum GPA of 2.0. Consent of faculty sponsor.

Student proposal:

- 1) Students must obtain the support and signature of a faculty sponsor on this form and
- 2) Attach a prospectus which includes the following information: objectives or purpose of study, methods and procedures, frequency of meetings with faculty sponsor, form of reporting study, and criteria for final evaluation.

Upon completion:

Final papers are due to the faculty sponsor no later than the last day of classes (*not* the last day of finals). It is the student’s responsibility to ensure that the faculty sponsor submits the final grade no later than the last day of finals.
